Intermediate/Novice

Most games will be held in Ballroom F/G (turn right down the first corridor). Registration and partnerships for those players with no more than 300 masterpoints will be available there one hour prior to game times.

Flower Pairs aka Gold Rush!

Each day through Friday at 1:30 and 7:30 pm, we will hold a separate 0-750 two-session gold point game. This game has proven to be very popular in the Mid-Atlantic and the few other places that have tried it.

Don't Get Caught!!

Cell phones, which may not be visible or operable in the playing area, must be turned off and kept out of sight. Absolutely no texting is permitted. If you are expecting an emergency call, leave your phone with the director.

In Memory of Steve Czecha

Steve Czecha will be most remembered for his quiet demeanor and his unending volunteer spirit, not to mention his 4,000+ masterpoints. Steve volunteered to play at the St. Elizabeth's Hospital one night a month for many years. He also routinely played with and organized partners for Dr. Jay Slotkin, a player who suffered from Lou Gehrig's Disease and who could only communicate by blinking his eyes. Steve was happily married to his beloved wife of almost sixty years, Faith, had six children, and was an electrical engineer working at IBM where he began and ran a bridge club. What many may not know is Steve was a POW in Germany. In a book published by a friend, Steve related a terrifying experience: "Turning left again to face the MG's the fire was bounding dirt off my helmet and I was sure I would be killed on the spot. After a time of panic, I made my peace with God and everything became and remained calm with me; after that, shells came in from both sides." Bridge had to look easy after his life experiences. Steve and his quite demeanor and willingness to help is sorely missed.

In Memory of Peggy Reich

Peggy Reich passed away on May 18th, 2003 at the age of 63 from kidney disease. Peggy, an avid gamer and lover of logic problems, was considered one of the whiz kids of the early 60s. In 1974 Peggy won a world championship team event with other local stars, Steves Robinson and Parker, Jo Morse, and Bobby Lipsitz, and won multiple national championships with Steve Parker in 1969 and 1976. Peggy was WBL Player of the Year in 1967 and 1969 and WBL Woman of the Year in 1970 and 1974. She then mastered another great art, the ability to teach this great game to others, working at local country clubs and women's clubs.

She authored her own bridge book, "An Introduction to Popular Bridge Conventions". She had a tremendous following of students who rained adulation on her and her great talent for communicating the game along with her tremendous ability to make people feel good about themselves. Her husband Lou Reich stated, "With all of her bridge accolades, she was still proudest of her family, her children Tommy, Ricky, and Kim, as well as her seven grandchildren."

Addendum to Yesterday's In Memory

Inadvertently left out of yesterday's subjects for 'In Memory Of' was a photo of Rae Dethlefsen (pictured here), and the following tribute to Sylvia Levy: Perhaps Sylvia's greatest strength in bridge was as a teacher. She taught for the county, bridge clubs, country clubs and in her home. During the 1973 Nationals, Sylvia was a member of the very successful show put on by the local committee. She was born with only one arm, but she was never handicapped. Sylvia had three children: sons Robert and David and daughter Janet.

A Bridge Puzzle
