

Planning to play at the Summer NABCs in Washington DC? We need volunteers!

If you're planning to be at the tournament this July 23 - August 2, please think about volunteering some time before or after sessions. We need volunteers in all areas:

(it's most helpful if you let us assign you wherever needed)

Registration, Information, Intermediate/Newcomer Desk, Hospitality Suites, Evening Entertainment, Prizes, Partnerships, and Restaurant/Tour Desk, Runners

Please respond to volunteers@districtsix.org to let us know ***which dates you can volunteer*** (between July 23 and Aug 2) and whether you can help in the ***morning, afternoon or evening***. We'll contact you with specific assigned times and duties, so you can figure out the logistics when we get closer to the tournament. ***Please provide your name, email, phone(s), and home address.***

We have people who can help you buy your entry if you are working a volunteer shift right before game time.

There's worker hospitality offered during the tournament, so don't worry about going hungry!
